Afternoon and evening restaurants in Garmisch

We propose for gatherings on Monday and Tuesday the larger restaurants *Akrams Alpenhof* (recently opened, Indian-Bavarian mixture) at the *Spielbank* or *Fischer's Mohrenplatz*. *Fischers Mohrenplatz* is a short walk away (< 10 min) but represents a typical Bavarian restaurant with in- and outside services. Participants of the Igls conference in 2020 might remember the place as we had dinner there. If you want to reserve a table, you may call +49-8821-732277-0

In addition, the following places might be of interest (a few out of many):

- Restaurant in the conference hotel Garmischer Hof; a good place to meet in the morning or the afternoon break for making further arrangements; it is closed Mondays and Tuesdays
- Café Krönner which offers cakes but also restaurant dishes, closes at 18:30
- Café Pavillon close to the entrance of the conference site, closes at 18:30
