## Evening restaurants in Garmisch

As a result of the Corona crises, restaurants in Garmisch have limited accessibility, primarily due to lack of personnel:

- Restaurant in the conference hotel Garmischer Hof is closed Mondays and Tuesdays
- Café Kröner which offers cakes but also restaurant dishes closes at 18:30
- Café Pavillon close to the entrance of the conference site closes at 18:30

We propose for gatherings on Monday and Tuesday the larger restaurants “Alpenhof” (recently opened, Indian-Bavarian mixture) at the “Spielbank” or “Fischers Mohrenplatz”. Fischers Mohrenplatz is a short walk away (< 10 min) but represents a typical Bavarian restaurant with in- and outside services. Participants of the Igls conference in 2020 might remember the place as we had dinner there. If you want to reserve a table, you may call +49-8821-732277-0
